本期《华盛顿邮报》讲述了苹果公司今年的春季发布会预示着该公司的业务重心从硬件领域转向了软件服务。

Apple's 'show time' event puts the spotlight on subscription services

苹果春季发布会“好戏开幕”，聚焦订阅服务

spotlight/'spɔ:tlait/: n. 聚光灯

相关词汇：spot; light

subscription service: 订阅服务

相关词汇：subscribe (v. 订购；订阅); subscription (n. 订购；订阅)

For years, Apple's business has centered around the iPhone, but sales of that (once-revolutionary but now commonplace) device have slowed. And the entire world of

computers has been **flipped on its head**. Apple has been **diversifying beyond hardware**, selling iCloud storage to its customers, a \$10 a month music streaming service and movies and television shows through iTunes.

多年来，苹果公司的业务一直以 iPhone 手机为中心，但这款曾有革命性意义的设备如今已相当普遍，其销量也有所放缓。而且现在整个计算机世界都已经被颠覆了。苹果一直在硬件之外的领域进行多元化经营，向其用户出售 iCloud 存储服务、每月 10 美元的音乐流媒体服务以及通过 iTunes 播放的电影和电视节目。

center around sth.: 以...为中心，围绕着...

近义词：center on sth.

once-revolutionary but now commonplace: 曾有革命性意义但如今很普遍的

- once-revolutionary: 曾有革命性意义的

相关词汇：revolutionary: adj. 革命的；革命性的

diversifying beyond hardware: 在硬件之外的领域多元化

- diversify /daɪ'vɜːrsɪfaɪ/: v. 多样化；（通常指公司）多元化经营

例句：The company is planning to diversify into other mining activities.

词性拓展：diverse: adj. 不同的；多种多远的；

词性拓展：diversity / diversification (diversity n. 差异, 多样性, 强调的是事物间原有的不同, 即差异; diversification n. 变化, 多样化, 强调多元)

搭配短语：the diversity in education: 教育的多元化

搭配短语：a great diversity of opinions: 众说纷纭

- hardware /'hɑːrdwɛr/: n. 硬件

相关词汇：hard (adj. 坚硬的) ; ware (n. 制品)

相关词汇：software (n. 软件)

But Monday's **anticipated** announcement takes that diversification to a whole new level.

Apple said it was launching a raft of new services, from news to video games and a credit card. Its biggest **initiative** is entertainment streaming service Apple TV+.

但是周一备受瞩目的发布会将这种多元化推向了一个全新的层面。苹果表示，它正在推出一系列新服务，从新闻到电子游戏再到信用卡。其最大的新计划是娱乐流媒体服务 Apple TV+。

Apple is expected to invest many billions a year, according to analysts, on making video content to compete in a crowded market that includes Amazon, Netflix, Hulu and Disney. 分析师表示，苹果公司预计每年将投入数十亿美元制作视频内容，以便其能够在对手林立的市场里竞争，目前市场的竞争者包括了亚马逊、网飞、Hulu 网和迪士尼。

The real **magic** in consumer technology is happening less and less inside the devices people carry around and more and more in server farms **scattered** around the world, where massive amounts of data get processed and then **transmitted** to **gadgets** like the Amazon Echo or Google Home.

消费型科技的真正魅力正越来越少地显现于人们随身携带的设备上，而是愈发显现于分散在世界各地的服务器农场中。在那，大量的数据经过处理后被传送到 Amazon Echo 或 Google Home 这样的电子产品里。

句子主干是 The real magic is happening, 主语是 the real magic in consumer technology, is happening 是系表结构。后面的状语由 less and less 和 more and more 这两个对称的部分组成，less and less 部分的 people carry around 是 the devices 的后置定语，而 more and more 部分后面的 scattered around the world 做后置定语修饰 server farms。逗号后面是由 where 引导的非限定性定语从句，massive amounts of data 是从句的主语，get processed and then transmitted 是从句的谓语，like the Amazon Echo or Google Home 是宾语补足语。

magic: n. 魅力

搭配短语：the magic of the city

consumer technology：消费型科技

carry around：随身携带

server farm：服务器农场

相关词汇：server cluster（服务器集群）

scattered/'skætəd/：adj. 分散的

massive amounts of：大量的

transmit/træns'mɪt/：v. 传送，传输（信号）

搭配短语：to transmit data/information

gadget/'gædʒɪt/：n. 小器具；小装置

In essence, the gadgets people are excited about buying are becoming **vessels** for sending and receiving data. And in that area, Apple has fallen behind companies like Google, Amazon and Microsoft, which now **pull in** significant revenue from selling cloud services, which is a **fancy** term for data center usage and storage.

实质上，人们热衷于购买的电子产品正在成为发送和接收数据的载体。而在这一领域，苹果已落后于谷歌、亚马逊和微软这些公司，后者如今通过售卖云服务赚取了可观收益，而云服务是对数据中心使用和储存功能的一个洋气说法。

in essence：本质上，实质上

- essence：n. 本质

搭配短语：this is the very essence of jazz：这正是爵士乐的精髓

搭配短语：of the essence：至关重要的

词性拓展：essential：adj. 完全必要的；n. 必需品；基本要素

搭配短语：to be essential to sth/to doing sth：某事/做某事是必不可少的

搭配短语：the essentials of English grammar：英语语法基础

搭配短语：to get down to essentials：从基础着手

搭配短语：in (all) essentials：在（所有的）基本方面
