Feel better now? The rise and rise of the anxiety economy

现在感觉好多了？焦虑经济的不断崛起

In 1988 a TV writer called Alex Carswell threw a pen at a photo of his mother after a stressful phone call with his boss. It gave him an idea. It was the "Age of Stress" and so the perfect time for Carswell to **launch** his "stress ball".

1988 年一位名叫亚历克斯·卡斯维尔的电视编剧在跟老板打了一通颇有压力的电话后，朝他母亲的照片扔了一支钢笔。这让他产生了一个想法。那是一个“充满压力的年代”，因此也是卡斯维尔推出“压力球”的最佳时机。

launch/ləʊntʃ/: v. 发射；上市，推出

搭配短语：to launch a missile：发射导弹

If the 80s were the age of stress, this is the age of anxiety, with 30% of **Britons**

experiencing an **anxiety disorder** during their lifetime. This has created a market for **domestic anxiety cures** that can be bought online, and fast.

如果说 80 年代是充满压力的时代，那么现今就是一个焦虑的时代。30%的英国人一生中得过一次焦虑症。这就给家用焦虑治疗法创造了市场，而这些疗法在网上就可以快速买到。

Briton: 英国人；大不列颠人；

相关词汇：Britain ['brɪtən] n. 英国；不列颠

anxiety disorder: 焦虑症

disorder/dɪs'ɔ:rdər/: n. (身体) 失调；疾病；异常

搭配短语：mental/eating disorder：精神/饮食失调

domestic/də'mestɪk/: adj. 家用的；国内的

搭配短语：domestic service 家政服务；domestic flight 国内航班

Consider the **squishy**. That repeated action led to **fidget spinners** becoming one of the most popular items bought on Amazon in 2017. They were not simply **triangles** of plastic; they were a **stress-relief** toy. They were the stars of a growing anxiety economy.

想想捏捏乐那样的玩具吧。而同时，那种重复性的动作使得指尖陀螺成为了 2017 年亚马逊最受欢迎的商品之一。指尖陀螺不单是塑料三角形物体；它们是一种解压玩具，是日益增长的焦虑经济中的明星产品。

squishy/'skwɪʃi/: n. 捏捏乐

相关词汇：squash：v. 把...压扁；n. 拥挤

squash 英文释义：to press sth so that it becomes soft, damaged or flat, or changes shape
